Reflect to Protect Address Signs

SECONDS COUNT! Whether it's a medical crisis or a house fire, time matters. Emergency responders can only find you if your address is clearly visible, day or night, in thick smoke. If you need help NOW, can emergency personnel find you? During our weed abatement inspections this year, a shocking number of properties were found to be without an address sign! Can you really depend on those old mailbox numbers anyway?

The Konocti Fire Safe Council is sponsoring a limited-time program to provide a sturdy, reflective address sign, INCLUDING INSTALLATION, for a nominal fee. Take advantage of Reflect to Protect. **An order form is attached to this email.**

From the Neighborhood Watch

A locked vehicle was broken into on the 2200 block of Westlake Dr. a couple of weeks ago. As they say, the squeaky wheel gets the oil. We URGE you to report any criminal activity, major or minor, to the Sheriff's Office so they can adjust their patrol presence here based on actual statistics. Their Non-Emergency Dispatch line is: (707) 263-2690. Please call 911 for emergencies!
