

BHA December Newsletter

As we wrap up another wonderful year in Buckingham, we want to take a moment to highlight the incredible work and celebrations that have made this season so special.

Congratulations to the BHA Ladies Club

A heartfelt congratulations to the BHA Ladies' Club for another beautifully successful Silver Tea Celebration! Your tireless efforts, thoughtful planning, and the stunning decorations at the clubhouse helped create a truly magical event. Thank you to each and every member for your dedication and creativity—you continue to make our community shine.

We Are Officially a Firewise Community!

We are proud to announce that Buckingham has been certified as a Firewise Community! This important recognition reflects the commitment and cooperation of our residents in keeping our neighborhood safe.

A special thank you goes to Bill Groody and the Firewise Council for their hard work and diligence throughout the certification process. We also want to express our gratitude to all Buckingham community members for your efforts during the previous weed abatement season—your participation truly made this achievement possible.

A copy of the Firewise certificate is available on our website for anyone who would like to view it and print a copy for their records.

Happy Holidays!

From the entire BHA team, we wish you and your families a joyful, peaceful, and safe holiday season!
