Evacuation Planning Meeting for the Soda Bay Corridor

The Lake County Department of Public Works (DPW) invites you to a public meeting toward development of a Soda Bay Corridor Evacuation Plan:

Monday, September 25th from 4:30-7:30 pm

Riviera Heights HOA Clubhouse

3040 Riviera Heights Dr, Kelseyville CA 95451

Recent years have taught Lake County residents a wildfire can occur at any time. Many recent fires have been quickly stopped, thanks to swift action by firefighters and other first responders. However, with wildfire starts frequent and fuel conditions increasingly dry, being prepared to evacuate populous areas in an orderly manner is essential.

Residents will be aware, the Soda Bay Corridor consists of three main arterial roads which serve as primary evacuation routes for multiple densely-populated Riviera communities: Soda Bay Road, Point Lakeview Road, and SR 281.

Members of the public, especially residents of these affected communities, are encouraged to learn more about the plan and share feedback. A presentation will play on a loop during this open-house format meeting, and team members will be on hand to answer any questions.

Public comments can be submitted manually and virtually via a web-based survey. The online survey will open at the meeting and will be available for 30 days after.
