

Community Corner

A heartfelt thank you to everyone who attended our Annual Meeting on July 11th! It was wonderful to see so many neighbors come together as we reflected on a successful year for Buckingham Homes Association. We appreciate your continued support and involvement, and we're excited to see what the coming year brings for our community.

Our next Board Meeting will be held on Wednesday, July 21st at 4:00 PM at the Buckingham Clubhouse. During this meeting, the Board will announce officer positions and begin discussing goals and plans for the upcoming year. As always, all homeowners are welcome and encouraged to attend.

Fire Safety Update

At the Annual Meeting, Bill Groody shared valuable information about our Firewise Community and the work being done by the Konocti Fire Safe Council. As we move through the heart of fire season, we've already seen several wildfires around Lake County. We are incredibly grateful for our firefighters and first responders for their quick response and dedication to protecting our communities.

While we're thankful for their efforts, keeping Buckingham safe starts with each of us. Weed Abatement remains underway, and lot clearing of non-compliant properties will begin this week.

Please remember that fire season extends through November 30, and all properties are expected to remain compliant for the duration of the season. Your efforts help protect not only your property but also your neighbors and our entire community.

Get Involved with the BHA Ladies' Club!

Debra Jacobs, Co-President of the BHA Ladies' Club, also shared exciting updates during the Annual Meeting. The Ladies' Club has several wonderful events planned over the coming months, and all Buckingham homeowners are invited to participate. Whether you're new to the community or have lived here for years, it's a great opportunity to meet neighbors and get involved. ***Please see the upcoming events below!***
